

## Life Groups & Ministries

And let us consider how we may spur one another on toward love and good deeds,  
(Hebrews 10:24 NIV)

Do you realize rainclouds form only after atmospheric laws are met?  
Cumulus nimbus rainclouds form and then drop rain when an updraft of moist air condenses in the troposphere. That's when the skies drop rain. And the spiritual law governing the rain from Heaven is similar. Rainclouds gather in Heaven when Christians on earth create an updraft.

*"Sow righteousness for yourselves,  
reap the fruit of unfailing love,  
and break up your unplowed ground;  
for it is time to seek the LORD,  
until he comes  
and showers his righteousness on you."  
(Hosea 10:12 NIV)*

We must action our passion for Jesus, our Lord, our Saviour, our King. Break up the soil, the ground of our once-active faith. Stir up your faith. Return to the Lord. Repent of slack and lag. Restore and read the Word of God to follow. Pray. Talk with the Lord. Ask to be filled with the Holy Spirit afresh. Inspire others in the same.

Crucial for the Church to arise with passion for Jesus at such a time as this. Lighthouse must be filled with passion for Jesus!
